REGION

Valdepeñas takes its name from the ancient city of the same name that lies in a sun-baked river valley dotted with small rocky formations – Val de peñas (Valley of Rocks). Located south of Castile-La Mancha in central Spain, it is almost completely encircled by the La Mancha Denominación de Origen (D.O.) and borders Andalusia to the south. The climate is extreme – temperatures reach 40 °C in summer and up to -10 °C in winter. The future of the D.O. lies with its red wines made from Tempranillo, which has the capacity to age well in crianzas, reserves and gran reserves.
